DESCRIPTION

The OutMax series for outdoor lighting is ideally suited for parking lot, area and flood light applications.

With mounting options that include knuckle mount, slip joint and wall mount bracket the fixture works well in most applications. With wattage options from 75 to 265 Watts, the OutMax is a great solution for most any outdoor lighting needs, replacing up to 1,000W traditional Luminaires.

APPLICATIONS

- Parking Lot Lighting
- Area Lighting
- Floodlight Lighting
- Wallpack Lighting
