DESCRIPTION

The OutMax High Powered series for outdoor lighting is ideally suited for tennis courts, sports fields, airports and industrial/commercial applications.

With mounting options that include knuckle mount, slip joint and wall mount bracket the fixture works well in most applications. With wattage options from 120 to 400 Watts, the OutMax is a great solution for most outdoor lighting needs.

APPLICATIONS

- Sports Venues
- Area Lighting
- Floodlight Lighting
- Airport Lighting
